

MAY 20 1952

MEMORANDUM FOR THE RECORD

SUBJECT: Agency Concurrences for the Revised Survey of Intelligence Research in the US Government Relating to the Communist Chinese Economy, dated 19 May 1952

1. The Revised Survey of Government Research on the Chinese Communist Economy was approved by the following EIC members of IAC agencies:

Air - Dr. Lowe

Army - Mr. Kullgren

Navy - Cdr. Deane

State - Messrs. Wiedemann and Doherty

CIA Mr. Robert Amory, Jr.

2. Approval of the Survey was obtained for the associate members of the EIC who reported at least five-tenths of one researcher's time expended on this area (expressed in one-man full-time equivalents). These approvals were as follows:

Agriculture - Mr. Rossiter

Treasury - Mr. Fields

Commerce - Mr. Braderman for Mr. Schnellbacher

3. Associate members of the EIC who are noted in the Survey as conducting no or negligible research on this area were also checked for concurrence. Confirming letters were received from the Office of Defense Mobilization, Mr. Curtis; Department of Labor, Mr. Arnow; and the Mutual Security Administration, Mr. Rogers. In addition, telephonic concurrence was obtained for the Federal Reserve Board, Mr. Ames; the Munitions Board, Dr. Mullins; and the Department of Interior, Mr. McCaskill.
